Ms. Barbour,

Thank you for sharing your concerns. I have been diligently working on addressing these needs as quickly as possible. I have attached the changes that have been made and these will be shared with staff involved.

Please note all transitions should be addressed. I am off campus tomorrow, and know we are very short-staffed with the IEP meetings occurring during the day. We are doing what we can to make these happen every day. I appreciate your patience as we work through the individual needs of students.

I have addressed the need for schedule changes with staff that were affected. If there are additional staff that need further communication, please share with me the specific needs in a separate email.

\*\*For the transition for Dylan at 1:20, please call Ms. Wolfe's classroom and he will meet you at the back door since you will be making your way to your classroom from the Kindergarten hallway each day. I will share a copy of this with both Ms. Wolfe and Ms. Salazar as well.

Have a great evening.

These are the problems I have been having concerning transport throughout the year. However, since the new schedule, it has become a larger issue.

It's my understanding that Ms. Jackie will bring the Kindergarten class to me at their time of service and Ms. Jackie will pick them up.

Also Dylan is in Wolfe classroom and need to be picked up at 1:20 to be transported to Woodside's classroom. He need to be taken back to his class... trailer Salazar.

The new schedule is conflicting with all grade levels and related services.

Good Morning,

I know that there has been changes made to the EC schedule. I was wondering if we had certain people picking up the students and dropping them back off. I was asking because today I took Zinnia back to Mrs. Salazar class and on Monday Mrs. Fowler picked up Zinnia from Ms. Wolfe class. Today Mrs. Pugh was subbing for Mrs. Barbour and had on her paper she was getting kindergarten kids dropped off to her and they never came. I just want to make sure the office staff knows who is picking up and dropping off the students. Thank you for your help and for all that you do!

Thanks  
Mrs, Kim
